HSU must receive an official transcript from the program provider before the courses will be posted to your records. If these are the last credits required to meet graduation requirements, you should be aware that if the classes you want to take abroad are not offered for some reason, you may have to return to HSU to complete your requirements and/or get departmental approval. Attach additional Credit Transfer Agreement forms if necessary. While abroad, keep your Advisor & Chair and the Study Abroad advisor informed of schedule changes.

* Upper and lower division GE courses taken abroad will require Graduation and Transfer Counselor review (located in the Office of the Registrar – make an appointment). American Institutions **cannot** be taken abroad. Return completed documents to the Center for International Programs.
